

# Auto-Record Your Trips:

Focus on your journey, not on recording it.

## Set it and forget it!

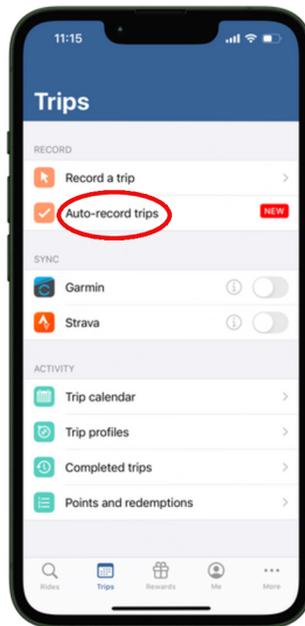

The auto-record trips feature will **automatically** detect and record your carpool, vanpool, bike, walk, or transit trips. It's as easy as...

1

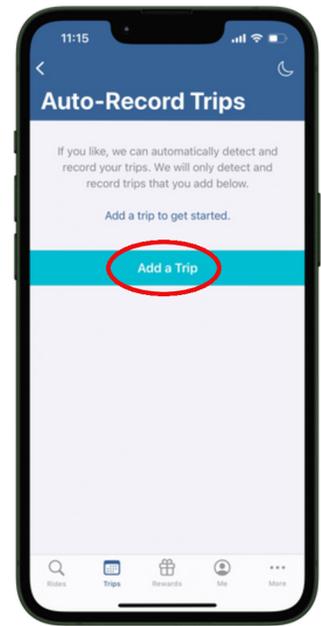

Open  
"Trips" tab

2

Tap  
"Auto-record trips"

3

Click  
"Add a Trip"

Scan to download app

Fill in the trip details and we will automatically record them when they occur.
